

## TYPE 2 SAFETY HELMETS

The Malta Dynamics Type 2 Safety Helmet is rated to protect your head from top and side impact and meets the ANSI standard Z89.1-2014 for Type 2 Class C helmets. They are equipped with comfort-conscious ratchet system and a safety chin strap to keep the helmet securely on your head. The chin strap also has a loop for easy attachment to the harness, and a 6-point suspension system for comfortable fit. The helmet features fixed clamps to keep headlamps in place and can also come with an optional clear or tinted visor for added eye protection.

### KEY FEATURES

1. Vents for maximum air circulation
  2. Adjustable Chin Strap
